President's Address

As this is the first P&C newsletter of the year I would like to take the opportunity to welcome all new families to Tambrey and ensure you that you have joined a terrific school.

It is my 5th year in the role of President of Tambrey Primary P&C, and I am always extremely grateful and humbled by the support I receive from fellow parents at meetings and when assistance is required for various events around the school.

The reason I continue to be involved with the P&C is because I value my children's education and will always do whatever I can to help the teachers in getting the best outcomes for my children. I do not expect anything of any other parent, I just ask that you do whatever you can to assist your child to achieve and enjoy their time at school.

I must thank those parents who have come along to the last two P&C meetings to determine some goals that we hope to achieve this year, and a special thank you to those who put their hand up to take on executive roles within the P&C.

The vast majority of discussions at the meetings have revolved around the need to improve the amenity and appearance of the school grounds. To give the students more stimulation and activity space at recess and lunch time, as well as to improve the natural shade and gardens within the school grounds. A perimeter fence is also being looked at to ensure the longevity of these new play areas.

To do this we obviously will need your support with fundraising and, in kind, support at various times, where we can reduce our costs by using parent manpower. These fundraising events will be widely advertised, as will the need for assistance, but I would recommend if you are not on the P&C Facebook page then you join up, as this is an immediate source of information and ideas that we use to circulate information.

All I can ask of you is that you do what you can to turn Tambrey from a good school into a great school so that our kids are proud to say, "We are from Tambrey".

A Word from our Support Programs

Bakers Delight Karratha - Dough Raiser Program

The Dough Raiser Program is an easy School Sponsorship Program, for every customer who spends \$5 or more at Bakers Delight Karratha and mentions TPS to the staff, our loyalty number is electronically recorded for that transaction. At the conclusion of the promotion, 5% of all recorded sales will be donated back to Tambrey P&C. Dough Raiser Program only runs during school terms; excluded during school holiday periods. Thank you to Ceanne and her team at Bakers Delight for their continued support.

Any time you buy any type or size shoes from Athlete's foot, they will donate \$5 from every sale to the school. Just tell the friendly staff that your kids go to Tambrey!!!

A great way to keep all of your child's school items out of 'lost property'. TPS will receive up to 20% commission on all orders!

Tambrey P&C's annual Easter Raffle has always been a massive success – partly due to our wonderful community, majorly due to our fantastic parents & carers!

We can all help make 2016's Easter Raffle better than ever by donating either;

- Something small from each child that attends our fabulous school **OR**
- Something large from the entire family!

We are hoping to stack the odds in your favour, by having class prizes & 3 major prizes up for grabs!

Donations may include, but not limited to: chocolate eggs/rabbits, Easter stationary, plush toys or anything Easter related.

Please remember we are a 'nut free' school.

Please drop your donation/s into the 'Easter Box' located in the front office by Friday 18th of March, 2016.

Tickets for the raffle will be sent home shortly. We thank you for supporting Tambrey P&C.
