Students get culture teaser

■ Courtney Fowler

Year 3 students at Tambrey Primary School got the opportunity to learn about Indonesian customs, language, music and traditional dress in class last week.

Nine-year-old Jarred Begg said the highlight of the lesson was dressing up and playing all the wooden instruments to make traditional Indonesian music.

Teacher Ibu Stephanie Agular said the lesson was a "teaser" of what was to come when the students from Room 6 begin Indonesian lessons once a week.
