Please note

- Only children attending Lessons 1 and 2 should wear their bathers to school. All other students will be given sufficient time to change into their bathers prior to their lessons.
- Upon returning to school, students will change back into school uniform. Please supply your child with a plastic bag in which to place wet bathers and towel.
- All children must wear a hat and a rashie or T-shirt, and have sunscreen on. Children may bring goggles to wear, however the swimming instructor will decide if goggles must be removed for a particular skill. Ensure all items are labelled with your child's name.
- Children are permitted to wear thongs to and from the pool, but must wear appropriate shoes at school.
- Some lessons run during lunch or recess. Where this occurs children will be given a break after swimming to change, eat and have supervised play. Please keep in mind that swimming does make children hungry.
- Children not attending swimming lessons will be supervised at school.

Yours sincerely,

Brett Mullen
