Are there certain days/times that suit you best? Please share them below. It may not be the same every week or month due to a myriad of reasons, but let's try anyway!

PLEASE REMEMBER: We will not presume you are always available on these days. We will check in with you first.

HOW DO I FIND OUT MORE

It is important to know that you do not have to be a constant face to be a member of the P&C. Here are some ways to know more:

- ✓ For \$1, become a P&C Committee member & receive all committee correspondence.
- ✓ Like the P&C Facebook Page. Don't be afraid to put forward your ideas.
- ✓ Have a chat with a P&C member about offering any kind of support or assistance.
- ✓ Attend P&C Meetings when you can.

🔍 Tambrey Primary School P&C

WHY IS THE P&C IMPORTANT?

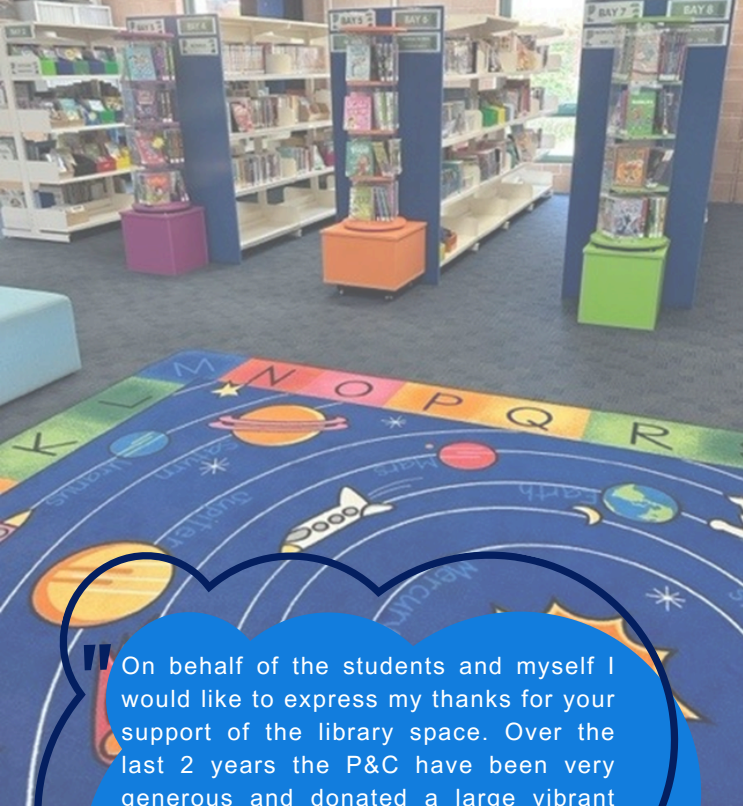

The Parents and Citizens Committee is a diverse group of approachable parents/carers and community members who work together, along with the school staff to:

- Build and maintain a strong relationship between the school and the community.
- Create more opportunities to better school resources that benefit our children.
- Generate funds for school initiatives that fall outside the school's allocated budget.
- Better understand the education system and how we, as parents and carers can help.

Mothers Day Stall 2025

Be Involved!

"On behalf of the students and myself I would like to express my thanks for your support of the library space. Over the last 2 years the P&C have been very generous and donated a large vibrant mat for the students to sit on and a new book display spinner. Tambrey Primary School is very lucky to have such a supportive P&C." Louise Medling
Library Officer

**We work
together**

WHAT IF I CAN'T VOLUNTEER?

We are all busy people. We understand that everyone's circumstances are different and not everyone can take time out of their day to help at the Canteen or volunteer at the various fundraising events. Below are just a few other ways past and current parents, carers and businesses have supported Tambrey's P&C:

Businesses

- Donations towards prizes such as vouchers and gifts.
- Machine/equipment hire for landscaping and 'busy bees'.
- Food contributions for events such as 'Walk to School day' & 'Pizza day'.

Individuals

- Attend P&C Meetings
- Offer ideas and suggestions via Facebook, emails and meetings
- Judging entries in fundraising competitions
- At home tasks i.e. contact covering for the library
- Contributions to bake sales/raffles
- Researching and writing applications for eligible grants
- Create marketing posters, brochures, flyers etc.

"Thanks to the P&C for providing funding for us to buy ribbons to present to the Kindy and Pre Primary students who ran in an event at the Twilight Carnival. It is amazing to see such support for our students to encourage participation and celebrate every success."

Scott Ross
PE Teacher

OUR CONTRIBUTION TO NAME A FEW

- Weekly Canteen service
- Providing uniforms to students & staff
- Organising/supplying food at events such as Twilight Carnivals, Voting Days and Presentation nights
- Fundraising where profits go straight to our school:
 - Crazy Hair Days
 - Free Dress days
 - Footy colours Day
 - Mother's/Fathers Day Stall
 - Bake Sales
 - Raffles
 - Twilight Carnival faction accessories

What does all this fundraising go towards? In the past, the P&C's fundraising efforts have resulted in a new Nature Playground as well as Interschool Sports Shirts.
