

2026 Personal Items Information for students

Dear Parents/Carers

Please find attached the 2026 Personal Items list from Campion Education for your child. The list includes all the essential items for your child to engage in learning throughout the year.

Additional to the personal item list, students in PP-6 will require specific workbooks to participate in Tambrey PS's reading and spelling programs. These are high quality, evidence-based programs that deliver improved outcomes for students. The school has bulk purchased the workbooks for the programs and will invoice families for the cost of respective workbooks.

These are to be purchased for your child through the front office and will be delivered to your child's new class in week 1, 2026. Payment for workbooks can be made through the front office using EFTPOS, QKR app, or by direct deposit.
